Subject: Categorical Exclusion for Shelby County District Attorney General

Awards under the FY 2008 Project Safe Neighborhoods grant program will be used to fund innovative ideas in reducing gun violence and will carry the following NEPA special condition:

None of the following activities will be conducted either under the OJP federal action or a related third party action: 1) New construction; 2) Any renovation or remodeling of a property either (a) listed on or eligible for listing on the National Register of Historic Places or (b) located within a 100-year flood plain; 3) A renovation which will change the basic prior use of a facility or significantly change its size; 4) Research and technology whose anticipated and future application could be expected to have an effect on the environment; or 5) Implementation of a program involving the use of chemicals. Consequently, the subject federal action meets OJP's criteria for a categorical exclusion as contained in paragraph 4(b) of Appendix D to Part 61 of the Code of Federal Regulations. Additionally, the proposed action is neither a phase nor a segment or a project which when viewed in its entirety would not meet the criteria for a categorical exclusion.

15. SUMMARY DESCRIPTION OF PROJECT (See instruction on reverse)

Project Safe Neighborhoods (PSN), a nationwide commitment to reducing gun crime, links existing local programs together and provides them with necessary tools. PSN 1) takes a hard line against gun criminals, using every available means to create safer neighborhoods; 2) seeks to achieve heightened coordination among federal, state, and local law enforcement; and 3) emphasizes tactical intelligence gathering, more aggressive prosecutions, and enhanced accountability through performance measures. The United States Attorney in each federal judicial district will lead the offensive. The fiscal agent, in coordination with the PSN Task Force, will allocate funds throughout the community.

The Shelby County District Attorney General's Office, serving as the fiscal agent for the Western District of Tennessee, will use the grant funds to pay for: a gang coordinator to oversee the anti-gang strategy; travel costs for the District Attorney's Office to attend the annual PSN conference; and undercover vehicles and equipment designed to aid investigations and enforcement activities including search warrant entry tools, computer enhancements, crime scene and evidence documentation, and evidence collection for the Memphis Police Department (MPD). The district's PSN project is a coordinated effort between the District Attorney's Office, the U.S. Attorney's Office, the MPD, and other local law enforcement to crack down on illegal gun possession and gun-related crime.
